Senator Harry F. Byrd,
Senate Office Building,
Washington, D. C.

Dear Senator:

Enclosed herewith please find a letter received by me from Mr. Leon R. Fleisher, which is self-explanatory.

This gentleman has been a loyal Democratic stalwart in Arlington County for many years and I can certify as to his honesty and integrity. Since receiving his letter I have talked to several folks who are in a position to know of his qualifications as a watch mechanic and they have testified to me that he is most competent.

Your assistance in this regard would be greatly appreciated and I am sure that he would render efficient service to the public.

With my kindest regards and best wishes, I am

Sincerely,
